

How do you increase your prestige as much as possible in order to join the Federation? How to gain prestige points (PP) in Federation?

The general idea is to achieve the maximum opportunities that will increase your prestige.

  **During your turn:**

-  Reach the most famous Erudits and impress them by satisfying their priorities. *Choose one level 3 Erudite tile and gain immediately PPs.*
-  Build megastructures by optimizing the balance of each Megastructure tokens. *Immediately gain PPs corresponding to X times the smallest condition met.*
-  Complete individual missions (at the top of your individual board) that will make you stand out from the crowd. *Send your ships and immediately gain PPs.*
-  Resell gold diamonds on the black market. *Gain immediately PPs by converting your gold diamonds on the planet Arratooine.*

  **At the end of each round:**

-  Win the majority vote on each floor of the Senate. *Gain PPs corresponding to your accreditation/authority level.*

-  Vote in the side (left or right) of the Senate that best suits you. *Gain 2 PPs per level of influence you have with the corresponding planet.*

  **At the end of the game:**

-  Fund Major Projects according to your interest and level of influence on the various planets. *Gain PPs for each Major Project funded depending on your ranking for each funded Major Project.*

	1 st	2 nd	3 rd
	4	16	8 / 4
	3	14	6 / 2 / 10

-  Be honored as quickly as possible for each planet, or fulfill the specific conditions on your individual board. *Gain PPs according to the number of medals received.*

-  Optimize your remaining resources (resources, gold diamonds, ships, remaining alteration tokens) to gain a few extra PPs.
